Nineteenth Meeting of the Oregon Global Warming Commission

Tuesday, September 15, 1:30pm to 4:30pm
2 World Trade Center
25 SW Salmon Street, Portland OR, 97204
Mezz Level; The Oregon Room

Listen-only phone number: 1-877-336-1831 code: 872206

Meetings of the Oregon Global Warming Commission (OGWC) are open to the public. Public comment is welcome during the designated period(s). A listen-only phone number is also available to listen in on meeting proceedings (see above).

Agenda items will be addressed in the order listed during the meeting. However, the Chair may elect to re-order agenda items during the meeting, or to delay action on an item until the next meeting, in order to accommodate the priorities of the Commission.

- I. Introduction of Agenda and Attendees
- II. Informational items
 1. Presentation on EPA Final Clean Air Act Section 111(d) existing power plant carbon emission regulation (*ODOE and ODEQ staff*)
- III. Decision item:
 2. Briefing and Commission discussion on final draft OGWC report and GHG reduction scenarios (Jessica Shipley, ODOE; and Angus Duncan, Chair), followed by
 3. OGWC decision to deliver 2015 report to legislature (Angus Duncan, Chair)
- IV. Public Comment

Public comment will be taken at the end of the meeting. Please be aware that the Chair may choose to limit public comment to a specific amount of time per individual in order to accommodate a diversity of opinion.

The meeting location is accessible to persons with disabilities. To request an interpreter for the hearing impaired or for other accommodations for persons with disabilities, please make requests at least 48 hours before the meeting to Linda Ross at (503) 378-6874 or by email at linda.ross@state.or.us.

Information on all meetings of the Global Warming Commission can be found on the Commission's web site at <http://www.keeporegoncool.org>.

General public comment on issues of relevance to the Global Warming Commission can be sent to the Commission's email address at Oregon.GWC@state.or.us.
